Additionally, if a parent or guardian would like to give permission to the school to share their child's immunization record with Minnesota's immunization information system, they may sign section 3 (optional).

For updated copies of your child's vaccination history, talk to your doctor or call the Minnesota Immunization Information Connection (MIIC) at 651-201-5503 or 800-657-3970.

**School Personnel:** Be sure to initial and date any new information that you add to this form after the parent/guardian submits it. Also, record combination vaccines (e.g., DTaP+HepB+IPV, Hib+HepB) in each applicable space.
