Title Post-Secondary Enrollment Options Program

---

1. Students enrolled in grades 10, 11 or 12 who have not received a high school diploma or its equivalent may be eligible to participate in the Post-Secondary Enrollment Options Program without charge for tuition, textbooks or support services.
  - 1.1 Students who enroll at the beginning of 11th grade may continue in this program for the equivalent of no more than two academic years (the next six quarters or four semesters--excluding summer school).
  - 1.2 Students who enroll at the beginning of 12th grade may continue in the program for the equivalent of no more than one academic year (the next three quarters or two semesters).
  - 1.3 Students may enroll in a post-secondary course for secondary or post-secondary credit and must designate the type of credit when they enroll. The district will grant academic credit to a student enrolled in a course for secondary credit if the student successfully completes the course.
  - 1.4 Eligible 10<sup>th</sup> grade students may enroll in one Career and Technical Education (CTE) course. A qualifying grade will allow the student to be eligible to take additional CTE courses in 10<sup>th</sup> grade.
2. By March 1 of each year, the district will provide information to students in grades 8-12 and their parents of the ability to earn post-secondary credit and the enrollment requirements.
  - 2.1 The district will counsel students and their parents or guardians on options, risks and consequences before the student enrolls in a post-secondary course.
  - 2.2 Students must complete and submit a copy of the Post-Secondary Enrollment Options Program application (District Procedure 601.8P, Post-Secondary Enrollment Options Program: Notice of Student Registration) to their high school counselor by March 30 of each year before the year they plan to enroll in a post-secondary course.
