_____ **Background checks must be completed through the District 196 Human Resources Office on Level 3 volunteers** including parents working with student athletes, other chaperones, etc.

_____ **Requisition buses from District 196 Transportation.**

_____ **Employees driving students *must* be Type III certified.** See Administrative Regulation 707.12AR, Transportation of Students by Employees in a Type III (Car or Van) Vehicle.

_____ **Rental Vehicles: It is against the law to use 15-passenger vans.**

- For in-season events for which you are not required to pay taxes, rental vans should be paid for with a district P-Card, not a personal credit card.
- A vehicle rented in Minnesota must comply with the requirements of a Type III vehicle (for example, a minivan, like a Dodge Caravan that seats 6-7 people) and display a valid State of Minnesota inspection sticker on the windshield.
- A vehicle rented outside of MN is not required to have an inspection sticker but may only seat 10 or fewer passengers in compliance with the law.
- It is *strongly advised* that you buy the full insurance coverage for any rental vehicles.

_____ **Car rental companies and organizations that rent space for activities sometimes require a certificate of insurance. If you need a certificate of insurance, contact District 196 Legal Services** (jill.coyle@district196.org or adam.wattenbarger@district196.org) and provide a list of dates, as well as contact information for the company or organization requesting the certificate.

_____ **Read and review District Procedure 604.7.2.4P, Overnight Field Trip Expectations and Guidelines with parents and students, and collect signed forms from all parents/students.**

_____ **With all employees and chaperones attending the trip:**

- Review Section 7 (“Arrangements, Accommodations and Expectations”) of Administrative Regulation 604.7.2AR, Overnight Field Trips Regulation.

_____ **For international trips:**

- Attach original District Procedure 604.7.2.3P, Letter of Intent for International Field Trips, and supplement it with any additional relevant information (for instance, provide any up-to-date or missing information you did not have when the Letter of Intent was first submitted).
- If travel agency requires a written agreement for the trip, legal department has reviewed and approved agreement prior to signature.
- Two weeks before departure: review the U.S. State Department’s Travel Advisory Information for destination country to ensure there are no travel alerts or warnings that may pose an issue for the trip.
