Evidence of Instructor Qualifications

How is the instructor(s) qualified to instruct under Minnesota Statutes, section 120A.22, Subdivision 10? Check all that apply and attach required documentation.

- The instructor holds a current Minnesota teaching license for the field and grade level taught. (Attach copy of license.)
- The instructor is directly supervised by a licensed teacher. (Attach name of supervisor and copy of license.)
- The instructor has successfully completed a teacher competency exam. (Minnesota does not have an exam that meets this requirement so this option is not applicable.)
- The instructor holds a baccalaureate degree. (Attach a copy of diploma/degree.)
- The instructor is the parent or legal guardian of the child. (This means that unless an individual—including a grandparent or step-parent—is a licensed teacher or holds a bachelor’s degree or is under the direct supervision of a Minnesota licensed teacher for each grade level and area, they may not instruct the student(s) in situations where the parent/legal guardian would be able to.)

Students

Attach immunization records or notarized statement of conscientious objection for each student. Update immunization information when each student reaches 7th grade (age 12).

This information must be submitted to the public school when enrolling as a public school student. It also must be submitted to the county attorney if requested in cases of educational neglect or reporting violations.
