Parent Hall of Fame

Eastview High School is a school about people working together, about relationships, about a talented staff that cares about students, about exceptional students doing exceptional things, and about supportive and involved parents.

Over the past ten years, literally hundreds of parents have contributed many thousands of hours of volunteer time on behalf of our programs and students. We have accomplished much with these important contributions. We are very grateful for this meaningful partnership.

Eastview High School has a tradition of recognizing those parent volunteers who have made extraordinary contributions on a continuing basis, throughout their child’s(ren’s) years at EVHS.

As their youngest child graduates from Eastview High School, we want to provide special recognition for these parents. They are exceptional parents who have done exceptional things for all students, staff members and families in the Eastview Community. The legacy of the following *EVHS Parent Hall of Fame* inductees will live on:
