About Eastview

Eastview (est. 1997) is a comprehensive & college preparatory public high school located in Apple Valley, (suburban Minneapolis/St. Paul,) Minnesota with an enrollment of 2150 students in grades 9-12. Eastview has been distinguished as one of "America's Best High Schools" by Newsweek, US News and World Report and by the Washington Post.

Our Learning Structure

Creative and progressive structuring of the facility and the school day schedule provides the ultimate options to support focused and engaged learning. All 9th and 10th graders are provided a touchstone personal learning experience as members of interdisciplinary learning teams, providing a challenging college readiness academic experience, supported by a conscientious team of teachers and an individualized learning plan. Student/teacher phasing, platooning and teaming are facilitated through quarter, trimester, semester and full-year courses, taught in both single period and block scheduling. Within the traditional foundation, time and space is leveraged to best address the needs of students, grade levels, ability and curriculum. The foundation of courses is 50 minutes in length, five days per week, four terms of 9 weeks for a total of 36 weeks per school year.

Our Learning Facility

Our state-of-the-art digital classroom design includes built-in LCD's and SMART Technology; an infrastructure that includes building-wide wireless network/internet connections; 1:1 iPad learning environment; student mobile computing labs; high-end multimedia computing capabilities; a two-level Learning Commons with digital library research capabilities and fully-equipped television and digital editing studios, a 650 seat Performing Arts Center with a fly loft and scene shop; a dedicated dance studio and full-time curricular dance program; four gyms with a running track surrounding the main gym; a 4,500 square foot fitness center which is adjacent to 200 acres of playing fields, recreational facilities and competition stadiums.

Our Learning Community

District 196 encompasses 110 square miles and is located 15 miles south of Minneapolis & St. Paul. 150,000 residents and 27,000 students are served in 19 elementary, 6 middle & 5 high schools.

Our Faculty

College readiness is perpetuated by 230 faculty and staff members. Approximately 80% hold masters or doctorate degrees. 75% have 10 or more years of professional experience. All faculty members are engaged in focused collaborative teams of professional practice, where extensive action research informs instruction.

Comprehensive & College Preparatory Curriculum

15 subject areas are offered, including: Honors & Advanced Placement; College in the Schools; AVID; STEM Scholar Program, five languages; emphasis on instrumental and vocal music, which includes an in-school private lesson program; theater & dance; Career Development opportunities; Special Education and work program alternatives. Courses are designed to personalize the students learning and interests to support college readiness. All students are engaged in developing an individualized learning plan to meet their learning needs and goals. A curriculum guide is posted at www.district196.org/evhs.

Advanced Placement, Honors and U of M College in the Schools Courses (CIS)

Advanced Placement and Honors/Accelerated courses are offered across the curriculum and grade levels to meet the special needs of high-performing students interested in challenging and extending their intellectual potential. Over half of our students take an Advanced Placement course and the associated AP Exam. 90% of those students will receive a 3 or better score on an AP Exam.

Fine & Performing Arts, Athletics, Activities, Intramurals, Community Service and Leadership

Opportunities beyond the school day play a substantial role in providing meaningful learning for our students. More than 80% of our student body is involved in state and nationally recognized activities. Over 110 different programs are offered in the fine and performing arts, athletics, student activities and academic honor societies. Our programs are designed to extend the spectrum of engagement; recreational involvement, personal development, competitive performance, leadership and service. Program summaries are posted at www.district196.org/evhs

Class Rank & Marking System

Class rank is determined by the grade point average of the quarter grades. All courses are included except those for which a pass/no-credit or no-grade mark is assigned. A student may choose to take one course each quarter for a pass/no-credit mark. **There are no weighted grades in the class rank calculation.**

Marking System

A = 4.0	B- = 2.7	D+ = 1.3	F = 0.0
A- = 3.7	C+ = 2.3	D = 1.0	P = Pass
B+ = 3.3	C = 2.0	D- = 0.7	NC = No Credit
B = 3.0	C- = 1.7		

Honors Ranking System

Toward encouraging students at Eastview High School to take the most challenging courses they are capable of studying, we incorporate a dual ranking system. Students will receive either a Regular Rank or an Honors Rank. The regular rank will rank students against all students in the class; the honors rank will rank qualifying honors students against other honors students who have taken a similarly difficult course schedule.

To qualify for an Honors Rank at Eastview High School, students must meet the following criteria:

- Take at least thirty-two (32) quarter courses of Honors/AP core classes throughout grades 9-12. This must include eight (8) quarter courses in each of the 9th, 10th, 11th and 12th grade years.
- Students must earn a grade of "C" or better for an Honors/AP class to count toward the total/grade-level minimums.

NOTE: This is not "weighted" grading or ranking. It is simply a "dual" ranking system wherein ONLY students meeting the above qualifications would have an *Honors Rank*.

Our Mission: Educational Equity

Eastview believes that "all students can learn" and are provided the opportunity, support (prevention, intervention and post-vention) and personalized engagement to believe and perform at their assessed ability level as an Eastview Scholar. All of our scholars engage in a college readiness programming that prepares them for continued post-secondary academic and personal success.
