### Parent Portal Acceptable Use Policy

Eastview High School has developed the Parent Portal as a means to further promote educational excellence and to enhance communications with parents. The Parent Portal allows parents to view their own child's school records anywhere, any time. In response for the privilege of accessing the EVHS Parent Portal, every parent is expected to act in a responsible, ethical and legal manner. The portal is available to every parent or guardian of a student enrolled at Eastview High School. Parents are required to adhere to the following guidelines:

1. Parents **will not share their passwords** with anyone, including their children.
2. Parents will not attempt to harm or destroy data of their own children, of another user, school or district network or the internet.
3. Parents will not use the portal for any illegal activity, including violation of Data Privacy laws. Anyone found to be violating laws will be subject to Civil and/or Criminal Prosecution.
4. Parents will not access data or any account owned by another parent.
5. Parents who identify a security problem with the Parent Portal must notify EVHS immediately, without demonstrating the problem to anyone else.
6. Parents who are identified as a security risk to the Parent Portal or any other ISD 196 computers or networks, will be denied access to the Parent Portal.

User guidelines and system requirements are enclosed. Please review them before signing and returning this document. Only by signing and returning the agreement below will you receive access to the Parent Portal for you student(s) at EVHS. Please detach and return the below form to me at:
