Prom Planning Form

Group Registration Code _____

Directions: Every individual, pair or group attending prom needs to designate a "Table Captain" whose responsibility will be to complete the Prom Planning Form. Starting on May 7, the Table Captain can bring the completed form to the Main Office to obtain a registration code. This code should be shared with members of your table group so each person can [go online to pay and register](#) for prom. Online payment and registration in [SchoolView/FeePay](#) will be the only method of payment (Debit, Credit Card or Check only).

If you are purchasing **TWO TICKETS** then you need to add both your ticket and a guest ticket to your cart in Fee Pay. All non EVHS students need to have their EVHS host-student log into Fee Pay and purchase their ticket.

NOTE: Priority Seating is first come first served based on when your **entire** group registers.
