

# First and Ten

The Newsletter of the Eastview HS Chain Gang and Booster Club--- Vol. 4, Game #2

**Last Week's Wrapup**---the University of Eden Prairie handed a tough loss to the Lightning, getting out to an early lead and never looking back. EP head coach Mike Grant was surprisingly well-mannered and "largely" kept off the field. (but we still don't like him) . The chain gang was called out twice and went 1 for 2, holding EP a good half yard short of a critical first down, but marking the Lightning only an inch short when it was their turn. EVHS' offense quickly made good, earning a "First and Ten" on their next play.

**The Wager**---last week's sideline wager was a total-points bet dreamed up by last year's champ, Charlie Hokkanen. Taking the first prize of 2000 was super-sideline-statsman John Raymond. "Johnny Ray" is thus in charge of coming up with this week's contest. Look for a doozy!! All Booster Club members be sure to get your numbers in to John prior to kickoff!!

**This Week's Preview**—The Lightning play their second consecutive home game, meeting intradistrict rival Eagan in a homecoming battle. Secret scouting reports from the northern portion of the district suggest that Eagan will bring down a talented--but very beatable--squad. Go Lightning!!
