The Newsletter of the Eastview HS Chain Gang and Booster Club--- Vol. 4, Home Game #4

**Last (Two) Week's Wrapup**---the Lightning football squad regained their early season form with a pair of convincing road wins over Chaska and Burnsville. EVHS exhibited game-long determination with a 57-7 win over the Hawks, then a week later dousing the Blaze in their homecoming game. There was a large and vocal contingent of Lightning fans at the Burnsville game, who did a nice job of exhibiting their fine sportsmanship in the face of some not-so-sportsmanlike Blaze-fan behavior.

**The Wager**---the last HOME game's sideline wager was a back-to-basics bet put together by Chief Vollmer. After the previous week's John Raymond-generated fiasco, Chief confirmed his leadership role by getting us regrouped. The bet was total sum of the score differences by quarter. (10-3 at the first quarter is 7 points, plus 14-10 at the half is 4 more points, etc.) The Lightning's impressive offensive performance, plus the defense's job in holding Rosemount's point total down, led to a victory by Stickmaster Hokkanen and his bet on a 57 point total. As last week's winner, Hokkanen gets to pick Wednesday's final regular season wager. All boosters hope he will come up with something understandable, so be sure to find Charlie and get your number in before game time.

**This Week's Preview**—The Lightning play their final regular season home game, meeting traditionally competitive Lakeville. This one's a Sherwin-household dogfight, as Patty is a Lakeville HS administrator. As sectional playoffs approach, the on-field battle this shapes up to be a fight for Lake Conference standing and post-season seeding. Speaking of which....

**Sectional Playoffs**---are approaching. It looks like the Lightning will be hosting a section game on Tuesday, October 24<sup>th</sup>.
