Game Preview

Eastview vs. Eagan

Tonight the Eastview Boys' Basketball Team (9-3, 5-3) play host to the Wilcats (6-7, 3-6) from Eagan High School. Last season these two teams battled three times with the Lightning coming out victorious in all three. The final tilt coming in section play. The Cats will be looking to reverse this trend tonight and begin a streak of their own. Eastview is coming off a come from behind win at Jefferson on Tuesday night. And, Eagan is coming off a tough home loss to Burnsville where it took a last second layup to beat the Cats. Eagan has one of the deepest teams in the league. It is not unusual for them to play 10-11 players throughout the game. Crafty point guard Charley Baker runs the offense, while 6'10 Garrett Bassett occupies the post area. They are a tough team as they will push the ball in transition, look for quick open shots, yet also run their offense in the half court for post touches. The Eastview defense will need to come up with one of its best performances tonight in order to slow down the Eagan offense. With injuries and illnesses slowing down the depth as of late, look for a new face to step up and help the club tonight and begin a new winning streak.

Tuesday night was a tale of two halves. Eastview trailed by 8 at intermission and by as many as 14 midway into the 2nd half. Key baskets by Pratt and Thomforde down the stretch bought the team back. Thomforde & Grinnell made critical free throws in the final seconds for the win. Rebounding & Free throw shooting proved to be the critical elements on Tuesday.

Eastview 70, B'ville 76 OT

Early foul trouble kept many players on the bench early in the contest last Thursday as the Blaze were able to get control early. Another strong second half provided a short lived 4 point lead but the team was unable to convert down the stretch. Big shots by Drew Johnson and key rebounds by Grinnell kept the team in it, but the Blaze proved too tough in OT.

Player Spotlight

#51 Tim Massie 6'6", Jr. Post

Tim Massie is in his second season as a member of the Eastview Varsity Boys' Basketball Team. Last season, as a sophomore, Tim was a fixture as the primary JV post while adding some minutes during the varsity season. This season, Tim's role as increased significantly. He brings an added dimension of size, defense, shot blocking, and rebounding to our team. Tim has worked hard in the offseason to add significant strength and endurance to his game. Now, he has the ability to bring significant energy and hustle to our post defense. Tim's ability to defend in the post, grab rebounds, and come up with the loose balls is of major importance to the Lightning defense. In 11 games this season, Tim has started 4 at the center post position. However, the intangibles he brings off the bench in the games he has not are equally important. Tonight,

look for Tim to use his size and energy to push the Lightning defense, grab the rebounds, and start us on the fast break. Tim's parents are Jerry & Eileen. Tim has sister, , who is a freshman at Eastview. Please give Tim a strong Lightning ovation as he takes the floor tonight in order to help his team grab a big Lake Conference and section victory. Good Luck Tim!!
