Game Preview

Eastview vs. Eden Prairie

Tonight the Eastview Boys' Basketball Team (13-4, 9-3) play host to the Eagles (13-6, 11-2) from Eden Prairie High School. Last season the Lightning were able to sweep the season series with a 70-65 OT win at home and a 62-52 win at E.P. In the first meeting this season, E.P. carried a convincing 34-25 lead into half-time. In the second half, Eastview was able to tighten up the defense and hold the Eagles to just 19 second half points. In the comeback, the Lightning held the ball for the final 2:00 of the game and took the lead on a Johnie Sanders jumper with seconds remaining. Unfortunately, it was just enough time for Eden Prairie to make a layup, get fouled, and sink the winning free throw to win by 1 point. With first place at stake, and revenge on their minds, the Lightning are looking to settle a score from December. The Eagles boast an impressive array of power and finesse. With one of the largest front lines in the conference to go along with leading scorer 6'6" Ethan Wragge, the Eastview defense will be put to the test. Both teams believe in their strong defense with each holding opponents to under 57ppg. It will be a tough contest between contrasting styles of play.

Player Spotlight

#33 Carlos Emory 6'5", Jr. Forward

Carlos Emory is in his second season as a member of the Eastview Varsity Boys' Basketball Team. Last season, as a Sophomore, Carlos was a late season call up from the sophomore squad. After consistently strong efforts during season, Carlos was asked to join the varsity squad for the final five games of the regular season & the post season tournament. Carlos performed extremely well in those games with his best performances coming in the section tournament. He scored 10 points and grabbed 5 rebounds in a semi-final win over Burnsville. This season Carlos continues to improve in all areas of his game. His athleticism and speed allow him to be a strong finisher on the break as well as cause trouble in our pressing defenses. This season Carlos has provided a strong spark for us off the bench with his energy and ability to play 3 different positions. Currently he is

second on the team with a 14 ppg average. He has had strong games this season including 16 pts and 10 rebs vs. Duluth East and 17 pts and 7 rebs vs. Lakeville North. The lightning will need is size, strength, speed, and athleticism tonight in order to battle with the tough front line of Eden Prairie. Please give Carlos a strong Eastview ovation as he takes the floor tonight in search of the team's fourth win in a row and the right to stay in the hunt for first place in the Lake Conference.

EVAA Feature Squad

Tonight's featured squad is the **7th Grade B team**.

Coached under the divine wisdom of Steve Radermacher & fellow Eastview alum Erik Corbett, the 7B squad is not short on hard work and brains. They recently went 3-1 in the latest Rosemount tourney. Good for 3rd place. Please stand and give these future Lightning stars a proud round of applause as they continue to represent the Eastview community throughout the remainder of their season. Good Luck boys!
