August 2010

Dear Parents,

It is with great enthusiasm we begin another year at Eastview High School. Your children are our highest priority and we will do all we can to insure an outstanding educational experience for them. We have created a warm, nurturing environment with high expectations where all students can be successful. You can help us reach this goal in several ways:

- Insist that your student attend school every day. Current research shows that good attendance helps maximize a student's learning experiences.
- Know what is expected in classes and set reachable academic goals for your student.
- Encourage your student to participate in cocurricular activities at Eastview High School. We offer a wide spectrum of programs in arts, athletics and leadership. There is a high correlation between success in school, both academically and socially, and taking part in school activities.
- Support your child with your time, your direction and your wisdom.

We look forward to a great school year with your students.

Sincerely,
The Eastview High School Staff
