First time users:
1. Go to http://www.pearsonsuccessnet.com
2. (or google www.pearsonsuccessnet.com and click on "login")
3. Click Register
4. On the first screen, type the class access code above in the access code field.
5. Follow the instructions to register, and write your user name on the blank line above exactly as you typed it. Do the same for your password.
6. At the end of registration process, the SuccessNet login page appears.
7. Log in by typing your user name and password and clicking on "login".

Existing users coming back to the computer at a later date:
Two ways to enter the site w/ 2 somewhat different results and uses.
A. Log in as above by going to www.pearsonsuccessnet.com (step 1 or 2)
B. Type in your name and password and click "login"
C. Look around on this Home Page for help additional resources and
D. then click on "Prentice Hall Biology – 2002" to the right of the icon to enter the *itext*.
   Or (and possibly the best way to access more internet features)
E. You could avoid logging in and go directly to the online text book.
F. Go to www.phschool.com/atschool/biology
G. (you could also navigate to the text w/a few more steps by going to www.phschool.com)
H. Click on "student" below the words "Prentice Hall Biology"
I. It should be above the icon of your dragonfly book that is **not** © 2006
J. There are **many** more links & resources in the margin that are not available through the other access point for some unknown reason.
