

2010 Laptop Request for Proposal

Page 1

1. Please type your FIRST name: *

2. Please type your LAST name: *

3. Use of Technology: What technology beyond Microsoft Office (Word, Powerpoint, Outlook, etc.) and Campus do you use regularly at EVHS to enhance student learning?

4. EVHS Technology Hierarchy: What skills do you possess that demonstrate technical abilities in the upper levels of our Technology Hierarchy (see email for hierarchy)?

5. Learning and Sharing Knowledge: What have you done to learn new technology and share this new knowledge with others at EVHS?

6. Using technology to communicate/collaborate with the Learning Community - Lyris/Distribution Lists/Moodle/Web 2.0/Blogs/Wikis/PodCasts/etc. Please list how often and in what capacity you use these items to communicate with members of our learning community.

7. Video editing Please describe how you would use your laptop to edit capture and video to enhance teaching/learning or your activity. NOTE: Editing video is very different from downloading and watching video. This question is seeking input regarding video editing.

8. Other Professional Responsibilities - Laptop Use: In which co-curricular/other activities do you provide additional leadership at EVHS wherein you use your laptop? Please provide specific examples of how you use your laptop for your co-curricular/other activity.
