Step Four: Once you've scrolled down to the Secure Finish Area – Sunday section under the Sunday, October 3 activities, please check **ONE** box for the shift you are working for Trash Monitor (7:30 a.m. – 11 a.m. or 10:30 a.m. – 2:30 p.m. We only need 30 for each shift). This particular opportunity only shows on this registration form because you put in the code when you first started. **If you do not properly register with the code, you will not see this activity as a registration option.** Once you have completed this step, scroll down to the bottom of the page to the waiver section (next page).

Step Five: This is your final step. Once you have scrolled down to the bottom of the page, please read the waiver information at the bottom and if you are under age 18, you must include the name of your parent/guardian and then click the “I Agree” box. Once that is completed, click on the Submit Volunteer Application and you are done.
