How involved should I be in my child’s college preparation and application process?
(from THE COMMON APPLICATION)

Regardless of whether or not you’ve been to college yourself, you have an important role to play in your child’s journey to college.

- No one knows your child better than you, so you should follow your instincts and let past experience serve as a guide.
- If your child has a proven record of following through with responsibilities and obligations, that trend will likely continue throughout the preparation and application process.
- If your child is someone who requires structure and guidance, then you should offer to help.

But remember: there is a difference between helping and over-stepping. College will require your child to be independent and self-reliant – and managing the process of applying to college is his or her first step towards a successful, fulfilling education.

University of Minnesota - Twin Cities

Welcome to the Net Price Calculator

Welcome to the University of Minnesota - Twin Cities Net Price Calculator for future freshmen! We’re happy you are beginning to explore how to plan for your college education. The net price calculator can help give you a sense of the need-based financial aid that may be available to you and also estimate your out-of-pocket expenses.

How does it work? The calculator utilizes financial information and other facts you provide to estimate the amount and types of need-based financial aid likely to be available to you. The “net price” will be the difference between the estimated need-based financial aid amount and the cost of attendance.

Please Note: Freshmen admitted to the University of Minnesota are automatically considered for a number of merit-based scholarships.

This calculator is designed to give future freshmen an early indication, an estimation, of the need-based financial aid you might qualify for if you were a college freshman attending the University of Minnesota-Twin Cities full-time in the academic year indicated.

Even if you will not be graduating from high school in the near future, the net price calculator will still be

Career clusters are a way of grouping careers with common features and skills. Careers grouped into the same cluster typically require similar education and training. Exploring clusters can be a useful way to find a good career match, especially if you have general areas of interest but are not sure what specific careers match those interests. Career clusters can also help you better understand how your coursework in school can prepare you for certain types of careers.

Step 3: Counselor Forms – *If Needed*...

- Many colleges and universities do NOT require a Counselor form or recommendation. *The Common App typically requires 1-2 teachers and a counselor.*

- If you are required to submit a Counselor recommendation, you **MUST** complete the **Counselor Recommendation Survey** in Naviance to obtain one.
  
  About Me tab → Surveys to Take → Counselor Recommendation

- Make an appointment to meet in-person with your Counselor to request a formal recommendation letter. Follow with an email confirmation.

- Counselor will send necessary online school report forms in addition to the transcript and letter (*if needed*).
FERPA Waiver

Why should you consider waiving your right of access? Waiving your right lets colleges know that you will never try to read your recommendations. That in turn reassures colleges that your recommenders have provided support that is candid and truthful. While you are free to respond as you wish, if you choose not to waive your right, some recommenders may decline your request, and some colleges may disregard recommendations submitted on your behalf.

(The Common App)
IMPORTANT! Please note…

Allow a minimum of 15 school days to process any request for Teacher or Counselor recommendation and/or school report.
Step 4: Releasing Official Transcripts
(Handout Provided - green)

Transcript Release Process for Eastview Students & Parents:

*Naviance (college application tracking program)* &
*eDocs (electronic transcript service)*

Eastview High School uses an on-line service for ordering current student transcripts – **eDocs through Naviance Family Connection**. This service not only makes it easy to order and send transcripts – **most colleges prefer applications that are submitted electronically**. **eDocs** has been integrated through **Naviance Family Connection**, the web-based tool Eastview High School uses to track and organize the college application process. **eDocs** provides the convenience of ordering transcripts 24/7 online, with security and confirmation, and adheres to the transcript format preferred by colleges.

**All seniors must utilize their student Naviance account** in order to **request official transcripts**. Here are step-by-step directions for completing this process (see reverse side for additional screen shots of payment process):

1. Access the link to **Naviance Family Connection** through the EVHS home page. **Registered users:** enter the username (email) and password you used in the past (when you originally set up your Naviance account). **New user?** Need help with your account? Contact the Counseling office at 952-431-8914 or your Counselor!

2. In your **student Naviance Family Connection** account, click on ‘colleges’, then ‘colleges I’m applying to’. **Add all colleges to your apply list and choose correct deadlines.**
Request Release of Official Transcript:
colleges tab → colleges I’m applying to → request transcript

**STEP 5: If Needed, Request Recommendations from Teachers**  
(Protocol available under “pages” in Naviance home page.)  

---

**Requesting Recommendations from EVHS Staff Members**

Dear Students:

Congratulations! You are, no doubt, reading this because you are ready to begin the steps that will help you reach your post-high school plans. This is an important milestone in your growth to the next phase of your lives and we want to support your success, whatever college and career choices you make. **Not all colleges require a recommendation letter.** But if needed, following this protocol will help EVHS staff members help you! Please review these steps carefully and, as needed, consult your School Counselor for further assistance. **We want to help you reach your goals!**

**Help us help you!** – Be aware of the staff member’s professional and personal obligations and time. Other students may very well be asking the same staff member to write a recommendation, so make your requests early! **You are expected to give the staff member at least 15 SCHOOL DAYS in advance of a deadline to complete a recommendation letter.**

_____Request recommendations **IN PERSON** first! **Present yourself IN PERSON** to ask if they agree to write a letter for you. You will follow up in writing but your first request is most appropriate and respectful if made in person.

_____Once you’ve made your IN-PERSON request, you must document the recommendation in Naviance Family Connection. Indicate names of your teacher recommenders in Naviance. Under the Colleges tab, click on **Letters of Recommendation** and then click on **Add Request.** Select the teacher name from the dropdown menu. Indicate the specific colleges you want the teacher to write for. You must also be aware of requesting only the number of letters accepted by
IMPORTANT RECOMMENDATION REMINDERS

- Students must first present themselves in person to the teacher to ask if they agree to write a letter of recommendation.
- If they say yes, provide them with helpful information – follow guidelines.
- Add requests for teacher recommenders in Naviance and complete Teacher Recommendation #1 and/or #2 Surveys (#3).
- Be sure to THANK THEM and follow up with them about your application results!
Sample – Recommendation Request
(to be provided to the staff member or included in Naviance after your in-person request!)

September, 2016

Dear Mr. or Ms. Recommender:

Thank you for agreeing to write a college (or scholarship) recommendation on my behalf. I am currently planning to apply to the colleges/universities listed in Naviance Family Connection under “colleges I’m applying to”. Please be aware that my earliest deadline is __/__/__ for Dream School University. I have formally requested you as a recommender in Naviance Family Connection.

I am providing you at least three weeks to complete the recommendation by the required deadline. I have completed Teacher Recommendation #1 Survey (or #2 as appropriate) for you. The specific colleges (with deadlines) that I would like you to submit your letter(s) are listed in this survey and indicated in Naviance Family Connection. If you need any additional information at all, please let me know.

I have completed a Resume on Naviance Family Connection to provide you with additional information about my background that may be helpful as you write.

In writing the recommendation, I would appreciate it if you would touch upon the following:

- Academic background and achievement – especially my performance in your class!
- Character and/or leadership qualities
- How I could be expected to contribute to the school’s community over the next four years
- What makes me unique

Release SAT (or SAT Subject Tests)

Through the CollegeBoard

Send Your Scores

There are two ways to send your scores to colleges, universities, or scholarship programs:

1. During Registration
   You receive four score reports every time you register for the SAT. These four score reports must be used at the time of registration or up to nine days after the test date. We highly recommend that you take advantage of these score reports, as additional reports are subject to a fee.

2. After Registration
   You can send score reports at any time from your “My SAT” account. The time frames for score delivery vary based upon each institution’s method of receiving scores. Please remember that an additional week may be needed for the score recipients to process your scores once they receive them.

   There is a fee for sending score reports starting ten days after the test date. However, if you are a fee-waiver-eligible student, you may have additional score report credits.
SAT Subject Test Policies:
Only *Highly Selective* Schools Require or Recommend
Step 7: Follow up!

Student Responsibilities: What You Need to Do
Application  →  Admission

Application:

• Talk to your school counselor early in the process. He or she will help you through the whole process, from research to filing your applications.

• Research, understand and comply with the policies/procedures of each college’s application fees, financial aid, scholarships, and housing, especially when it comes to making deposits.

• If you can, visit colleges on your list.

• Complete the applications and submit them on time.

• Be honest—no one else should be applying for you!
Admission:

- Notify each college whether you are accepting or rejecting its offer by May 1 – National Decision Date (postmark date).

- Enroll at only one school and, if required, submit a deposit. **Exception: the waitlist.** If you are accepted at a school where you were waitlisted, you may enroll and submit any required deposit. You also must immediately notify the first college at which you enrolled and let them know you’ve changed your decision.

- If you are accepted Early Decision, you must promptly withdraw applications submitted to other colleges. **Exception: financial aid.** If you are waiting to hear about financial aid before you make a decision, you don’t have to withdraw the applications.

What is **Raise.me**?

On **Raise.me** students, as early as 9th grade, are able to earn scholarship money from 140 partner colleges for academic and extracurricular achievements before they apply. These bite-sized scholarships are called micro-scholarships.

When students add achievements to their Portfolio on **Raise.me**, they earn Micro-Scholarships from the partner colleges that they are following. These achievements include good grades, participating in clubs, playing on a sports team, volunteering, visiting a college campus, and much more. Students can also include AP or IB courses, honors classes, and college-level courses.
