EASTVIEW HIGH SCHOOL
Senior Scholarship Instructions and Donors

APPLYING STUDENT:
This year the Eastview Senior Scholarship Program will award approximately 18 scholarships totaling approximately $18,000. To be considered for these local scholarships, you should follow the directions below.

QUALIFICATIONS
Unless otherwise noted, the following qualifications apply:

1. For nearly all scholarships, any senior attending Eastview High School is eligible to apply.
2. A student’s involvement in school activities, community service and overall conduct while enrolled at Eastview will be considered in the selection process.

DIRECTIONS:

Go to EVHS Website: http://www.district196.org/evhs/ Click “Family Connection” at the upper center portion of the web page. On the next web page, click Family Connection located on the upper left corner.

If you have set up your account, enter your e-mail address and password. If you are a new user, enter your Student ID number in the New User box to register and set up your account.

When you have entered the Family Connection welcome page, scroll down and click evhs sr scholarship under the heading From Your School which is on the left side in the blue bar. This will open the on-line application.

Make sure you have your class rank, GPA, ACT and SAT scores available. You will need to complete the application completely as you are unable to save it and return later. Otherwise, you’ll have to start completely from the beginning.

After completing the online application, print out two copies; one for Mrs. Mathews in the guidance office and one for your files.

If you have a GPA of 3.7 and included DECCA/Entrepreneurship as one of your activities, you’ll be prompted at the end of your application to view and print the instructions and application procedures for the Flint Hills Scholarship.

Type your PERSONAL STATEMENT (200 words or less) in the appropriate box of the on-line application and also type it on a word document to turn into Mrs. Mathews along with the CHECKLIST FOR THE EASTVIEW HIGH SCHOOL SENIOR SCHOLARSHIP APPLICATION.

Click Teacher Recommendation Form to print out and give to a teacher to complete. The teacher will turn the form into Mrs. Mathews in the guidance office.

If you wish to be considered for scholarships based on financial need and indicated this on your on-line application, you need to attach a coy of your STUDENT AID REPORT (SAR) from your FAFSA Application to the CHECKLIST cover sheet as well.

You DO NOT need to attach or submit a copy of your transcript.

Please have your name on all paperwork

Application is due, Wednesday, April 1, 2009 to Mrs. Mathews in the guidance office.
