

Honors Courses:

These courses follow the curriculum of our regular (non-honors) courses, with more depth, breadth, and rigor. These courses provide an excellent preparation for future Advanced Placement, College in the Schools and College Level studies.

Advanced Placement (AP) Courses:

These courses offer college bound students the opportunity to earn college credit while in high school. To earn college credit, the student must successfully complete the course and take an end of the course examination. The Advanced Placement examinations are optional (but highly recommended) for students and are administered through the nonprofit College Board for a student paid fee. Every college/university in the country has their own policies regarding accepting advance placement test scores for credit.

College in the Schools (CIS) Courses:

These are University of Minnesota courses taught at Rosemount by a high school teacher who has been specially trained to teach the course. The final grades earned by the students in these courses are placed on both a Rosemount High School and University of Minnesota transcript. Tuition is paid for by the school district.

Additional Opportunities: Additional opportunities are available through the Post Secondary Education Options Program (PSEO), Mentor Program, and a variety of RHS courses which offer concurrent enrollment agreements with local colleges.

See the RHS Registration Guide for information regarding these programs. (www.district196.org/rhs/registration)

Rosemount High School

Mission Statement

Our mission is to educate students, in cooperation with the family and community, to have the knowledge, skills and attitudes necessary to achieve their potential as socially responsible, lifelong learners in a diverse and changing society.

District 196 does not engage in unlawful discrimination on the basis of race, color, creed, religion, national origin, sex, marital status, disability, status with regard to public assistance, sexual orientation or age. The School District Attorney, 3455 153rd Street West, Rosemount, MN 55068, 651-423-7883, has been designated to respond to inquiries re- garding the non-discrimination policies, including inquiries under Title IX.

THE SCHOOLS
PROGRAM**

THE ROSEMOUNT HIGH SCHOOL HONORS/AP/CIS PROGRAM

Over 90 percent of Rosemount High School graduates go on to further studies. With this in mind, a rigorous college preparatory program of study is essential. Rosemount High School required courses are designed to prepare students for studies beyond high school. In addition, Rosemount High School offers an extensive selection of Honors, Advanced Placement, Concurrent Enrollment, and University of Minnesota College in the Schools courses. These courses are designed for students who want a more rigorous and intensive college preparatory experience.

Advanced Placement and Honors Courses are offered across the curriculum to meet the special needs of exceptional students interested in testing and extending their personal and intellectual limits in the classroom. Courses identified as Advanced Placement, Concurrent Enrollment and College in the Schools may qualify the student for college credit.
