Student Registration Guide

2020-2021

Rosemount High School Vision

A quality school dedicated to educating for the challenges of the 21st century by:

- Continually striving for excellence
- Creating an environment for collaboration, cooperation and mutual respect
 - Serving as a catalyst for creativity, innovation and lifelong learning

Rosemount High School Mission Statement

Our mission is to educate students, in cooperation with the family and community, to have the knowledge, skills, and attitudes necessary to achieve their potential as socially responsible, lifelong learners in a diverse and changing society.

Rosemount High School Values

- Respect for self and others
- Continuous improvement that is research-based
- A dedicated, talented and caring staff committed to collaborations and collegiality
- Trust, honesty, openness, integrity and ethical behavior
- A positive, healthy, and safe school environment
- Progressive leadership that empowers others
- Student success based on high expectations and a strong work ethic
- Relevant and innovative curriculum, effective instructional practices and accountability through meaningful assessment
- Shared responsibility by staff, students, family and community
- Risk taking for development and growth
- Technology as an integral part of the educational process
- Appreciation of cultural diversity and the uniqueness of the individual
- Social responsibility
- Lifelong learning

IMPORTANT MESSAGE TO STUDENTS AND FAMILIES

To RHS Students and Families:

The guide is a catalog of required and elective courses offered during the 2020-2021 school year at Rosemount High School.

For the first eight years of your education almost all courses were required. In high school, students have a chance take both required and elective courses. Elective courses provide the opportunity to explore fields of interest, pursue specialized preparation for advanced post-high school training, or to enter the job market.

These opportunities place great responsibility on both parents and students to plan wisely. Carefully read the information in the next few pages and browse through the course offerings and special programs. Then begin planning a course of study. Before registration, decide on a schedule of courses for the remaining year(s) in high school. Serious thought about the overall plan will provide a sense of purpose and direction. It is important that course selections for next year are made very carefully. We will tally all course selections and make critical decisions regarding staffing, room use and dollar allocation. Once those decisions are made, it will be very difficult to change course selections.

If you have questions regarding registration or a specific program, contact your high school counselor.

RHS COUNSELORS

Phone: (651) 423-7517

DISTRICT 196 GRADUATION REQUIREMENTS

In order to graduate from any high school in District 196, students must:

Satisfactorily complete 66 credits of coursework at the high school level, grades 9-12 inclusively, as specified below:

- English/Language Arts - four years (12 credits)
- Social Studies - four years (12 credits)
- Science - three years (9 credits)
- Mathematics - three years (9 credits)
- Arts - one course (1 credit) - from the Art Education or Musics & Dance departments.
 - Other classes include Interior Design, Marketing C and Intro to Drafting
- Health - two courses (2 credits) contained in ESS I, ESS II, and Wellness
- Physical education - four courses (4 credits)
- Safety Education - one course (1 credit)
- Other- 16 credits, of which not more than 12 credits of instrumental and/or vocal music may be applied toward fulfillment of the graduation requirements.

Rosemount High School Graduation Course Requirements

<p>Grade 9 minimum 18 total required courses</p>	<p>Arts 1 trimester course (this requirement may be completed in grades 9-12) From the Art Education or Music or Dance departments. Other classes include Interior Design, Marketing C, Intro to Drafting</p> <p>English/Language Arts 3 trimester courses (English 9 ABC or Honors English 9 ABC)</p> <p>Mathematics 3 trimester courses (Int. Algebra Concepts ABC or Int. Algebra ABC or Honors Geometry ABC)</p> <p>Physical Education/Health/Safety Education 3-4 trimester courses (Exercise & Sport Science I, Exercise & Sport Science II, Fitness & Activities and/or Safety Education (see birthday rule)) Note: Students selecting Safety Education may choose not to select Fitness & Activities in grade 9. These students must complete their 9th grade requirement in grades 10-12 by enrolling in a Physical Education course of their choice.</p> <p>Science 3 trimester courses (Earth with Physical Science ABC or Honors Earth with Physical Science ABC)</p> <p>Social Studies 3 trimester courses (Government and Citizenship ABC or Honors Government and Citizenship ABC)</p> <p>Electives Students must enroll in enough elective courses chosen from any department so that total credits is equal to or greater than 18.</p>
<p>Grade 10 minimum 18 total required courses</p>	<p>English/Language Arts 3 trimester courses (English 10 ABC or InverPrep English 10 ABC or Honors Literature ABC)</p> <p>Mathematics 3 trimester courses (Geometry Concepts ABC or Geometry ABC or Honors Algebra II ABC)</p> <p>Health/Safety Education 1-2 trimester courses (Wellness and Safety Education (if this course was not taken in grade 9)).</p> <p>Physical Education 2 trimester courses (physical education elective courses to be completed grades 10-12_ (three elective courses if Fitness & Activities was not taken in grade 9)</p> <p>Science 3 trimester courses (Biology Concepts ABC or Biology ABC or Honors Biology ABC or Advanced Placement Biology ABC)</p> <p>Social Studies 3 trimester courses (US History ABC or Advanced Placement US History ABC)</p> <p>Electives Students must enroll in enough elective courses chosen from any department so that total credits is equal to or greater than 18.</p>
<p>Grade 11 minimum 15 total required courses</p>	<p>English/Language Arts 3 trimester courses (English 11 ABC or InCollege English 11 ABC or Advanced Placement Language & Composition ABC)</p> <p>Mathematics 3 trimester courses (Algebra II Concepts ABC or Algebra II ABC or Honors Pre-Calculus ABC)</p> <p>Science 3 trimester courses (Physical Science ABC or Chemistry ABC or Honors Chemistry ABC or AP Chemistry ABC)</p> <p>Social Studies 3 trimester courses (World History ABC or Advanced Placement World History ABC or Advanced Placement European History ABC)</p> <p>Electives Students must enroll in enough elective courses chosen from any department so that total credits is equal to or greater than 15.</p>
<p>Grade 12 minimum 15 total required courses</p>	<p>English/Language Arts 3 trimester courses (English 12 and two additional trimester English courses or Advanced Placement Literature & Composition ABC or CIS Intro to College Fiction and CIS Intro to College Composition)</p> <p>Social Studies 3 trimester courses (Principles of Economics and two additional trimester social studies courses or Advanced Placement Macro and Micro Economics ABC)</p> <p>Electives Students must enroll in enough elective courses chosen from any department so that total credits is equal to or greater than 15.</p>

Special Notes

- Student will receive a waiver for Safety Education if they present the school with documentation that they have received CPR certification and a driver's permit or license.
- No more than 12 credits in vocal and/or instrumental music may be counted towards graduation.
- Students who plan to graduate early should see their counselor early in their junior year, if not sooner. Special planning and request forms are required. Failure to plan adequately will jeopardize approval for early graduation.

REGISTRATION INFORMATION

This Student Registration Guide is designed to provide students and parents/guardians a planning tool for making next year's course selections. In order to select an appropriate school program, students need to consider their individual abilities, aptitudes, interests, academic strengths and limitations, future career goals, District 196 graduation requirements and finally, the course offerings at RHS. Resources for information and advice are students' parents/guardians, high school counselors and classroom teachers. In addition, important information is summarized on the following pages.

Student Registration and Scheduling Steps

There are two major steps for students in planning their next year's program of studies:

(1) registration and (2) scheduling. During January, RHS registration materials for the following year are distributed. Students then register by selecting their courses for the next school year. Based on student registration selections, the school administration will determine courses/sections to be offered, staff needed and a master schedule of classes for the next year. **Therefore, students should register with care and after consultation with parents/guardians.**

After students' registration plans have been approved by parents/guardians and counselors, classes are scheduled for the fall, winter and spring trimesters. Following scheduling, schedule change requests that meet pre-set criteria will be granted during schedule review week. Once a trimester begins, **no schedule changes will be approved**, except in an emergency.

Scheduling Calendar

The following information outlines the registration cycle for the school year. Also outlined are the opportunities students have throughout the year to review and request an adjustment to their registration and schedule. The reasons for approving requests to change the schedule differ based on the date of the request. Once a schedule review period has passed, the student's commitment to honor the schedule is expected and changes that do not meet emergency criteria will not be made.

Student Registration

January - February	Students entering grades 9-12 register for courses they plan to take during the upcoming school year
February	Students entering grades 9-12 are provided copies of their course selections and are asked to review for errors.

Schedule Review

August	Schedules are posted in Campus Portal for students in grades 9-12
August & November (See school calendar for exact dates)	<p>Students should review their year schedule in Campus Portal. Students may submit a Schedule Adjustment Request online form to their counselor to make adjustments to their schedules during specified dates. Course changes will be approved on a space in class available basis for the following reasons:</p> <ul style="list-style-type: none"> ● Error on student schedule ● A failed prerequisite course ● Senior credit needed for graduation ● Program adjustment ● Inappropriate placement ● PSEO ● Physical or emotional disability: Documentation by physician or therapist required ● Request for Work Experience Program (Prior approval by a Work Experience Coordinator required) ● Change in IEP or 504 Plan

**** This is the final opportunity to make student/parent initiated, non-emergency, changes to their current schedule.**

Emergency Schedule Adjustments

<p>September, December and March</p> <p>(See school calendar for exact dates)</p>	<p>During the first week of a new trimester, students may submit a written Emergency Schedule Adjustment Request form, signed by a parent or guardian to the RHS Counseling Office to request their schedule be reviewed for an Emergency Schedule Change. Emergency Schedule Adjustments will be considered for approval on a space available basis for the following reasons:</p> <ul style="list-style-type: none"> ● Error on student schedule ● Inappropriate placement ● A failed prerequisite course ● Physical or emotional disability; attach documentation by physician or therapist ● Senior credit needed for graduation ● Request for Work Experience Program. <i>(Prior approval by a Work Experience Coordinator re- quired.)</i> ● Change in IEP or 504 Plan ● PSEO schedule adjustment
---	--

**** Students dropping courses after the Emergency Schedule Adjustment period will receive a grade of “F” in the course.**

Campus Student 4 Year Plan

Students are encouraged to maintain a 4 year plan for high school course work to ensure required coursework completion and satisfy prerequisites for each course. Each student has an electronic 4 year plan in Campus Student (log in from RHS homepage) that is updated each year during registration. Students are encouraged to utilize their teachers and school counselor as they select classes for the coming years.

The RHS Comprehensive Curriculum

Rosemount High School offers courses in 11 subject areas, along with a full range of special education courses, work program alternatives and career development electives. Many of these courses are designed to meet the needs of students across a broad range of abilities, interests and post-high school aspirations. However, certain courses are focused on the special needs of students.

Advanced Placement, Dual Enrollment, and Honors courses are offered across the curriculum to meet the special needs of exceptional students interested in testing and extending their personal and intellectual limits in the classroom. Students can choose from a variety of demanding offerings in each department, including Advanced Placement courses which not only stretch the limits, as indicated above, but offer college-bound students the opportunity to earn college credit while in high school. The Advanced Placement examinations are optional for students and are administered through the nonprofit College Board for a student-paid fee. Additional opportunities are available for exceptional students, including such courses as the Mentor Program (refer to Career Development courses), College In The Schools, and the Post Secondary Education Options Program (PSEO). Students may also earn college credit at Dakota County Technical College or Inver Hills Community College by completing pre-set criteria in specified Rosemount High School courses. Students successfully completing indicated courses should contact the instructor for more information regarding articulation and concurrent enrollment agreements.

Special Programs (Work Experience/Special Education), directed by over two dozen teachers and support staff members, provide a continuum of services for students having academic, social, emotional or psychological difficulties which may interfere with the teaching/learning experience.

ROSEMOUNT HIGH SCHOOL

**A GLANCE AT "ELECTIVE OPPORTUNITIES" FOR STUDENTS ENTERING GRADE 9
2020-2021**

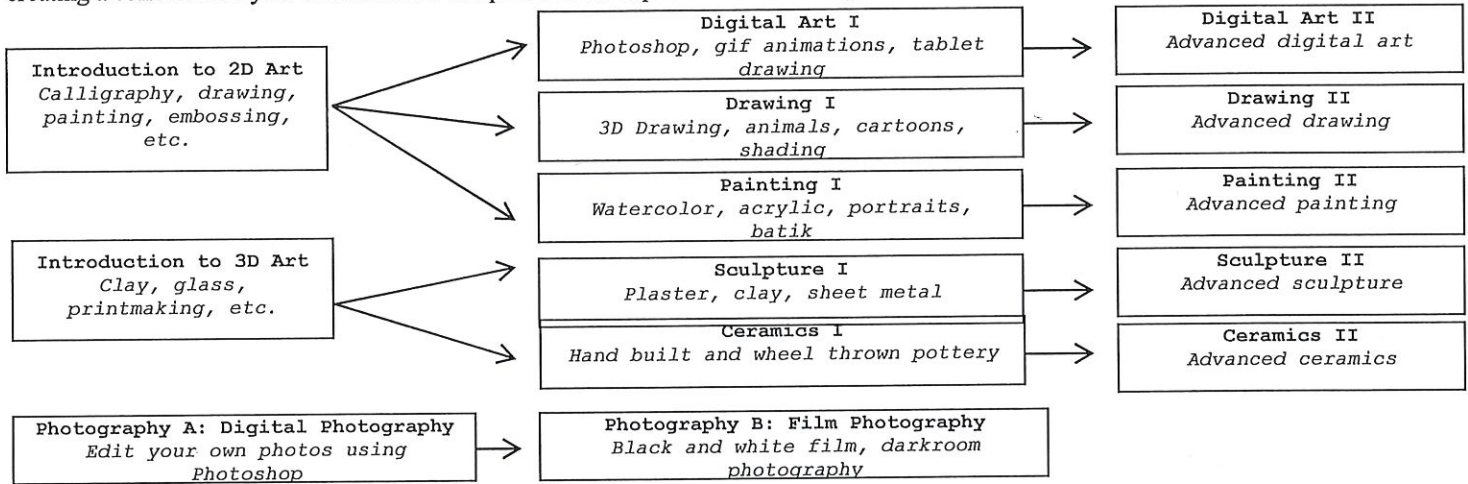

Due to the large number of required courses, students in grade 9 have very few opportunities to select elective courses during their freshmen year. Freshmen students must select 3 and can select up to 6 credits from our elective course offerings. The information below has been prepared by Rosemount High School Department Coordinators as a supplement to the Registration Guide to assist parents and students making "elective credit choices." Additional information about departmental offerings for freshman students can be gained by reading the *Rosemount High School Registration Guide*.

ELECTIVES AT A GLANCE

"COMMENTS FROM DEPARTMENT COORDINATORS REGARDING ELECTIVE COURSE OFFERINGS"

VISUAL ART DEPARTMENT – Department Coordinator, Phil Stanley

Students enrolled in Visual Arts classes are rewarded with a multi-faceted education that includes examinations of world history and cultures, exercises in problem-solving skills, learning concepts essential to any design based industry, working with their hands, and most importantly: creating a collection of your own artwork. No previous art experience is necessary to be successful!

All courses in the Visual Art Department meet the art credit graduation requirement.

BUSINESS AND MARKETING - Department Coordinator, Ryan Harrison

Learn how to create professional document such as brochures, business cards, flyers, invitations and newsletters to make every school project a breeze in Keyboarding A,B,C. Discover the tips and tricks in the Microsoft Office Suite to impress every audience. In additional, this course teaches how to utilize the internet to be more efficient. Impress colleges and future employers by adding these skills to your resume to aid in landing a great job in a competitive marketplace! Do you want to be a doctor? Lawyer? Engineer? CEO? Understanding business basics is essential for ALL careers. Introduction to Business & Marketing will give you a broad exposure to business activities including communication, entrepreneurship, ethics, management, marketing and more. This class is HIGHLY recommended for all business students.

SUCCESS STARTS HERE !	
Keyboarding / Computer Applications A,B,C	Introduction To Business & Marketing
PLAN AHEAD !	
MARKETING C (Grades 10- 12) - FULLFILLS ART CREDIT NEEDED FOR GRADUATION	

FAMILY AND CONSUMER SCIENCE - FACS - Department Coordinator, Noreen Brommer

Learning can be fun! Family and Consumer Science courses provide active hands-on opportunities for students to learn the skills necessary to live independently and be successful at work and at home. If you are interested in building strong relationships, working with children, cooking, and interior design, Family and Consumer Science is for you!

Courses offered to ninth grade students include:

- 0402 Let's Eat! Introduction to Culinary Arts 0404 Child Development 0406 Interior Design *

* Successful completion of the course Interior Design satisfies the 1 credit "Arts" requirement for students.

LANGUAGES OR THE WORLD DEPARTMENT—Department Coordinator, Susi Sullivan

As the world continues to get smaller and smaller, the importance of World Language study gets greater and greater. With four years of German, five years of French and Mandarin Chinese, and six years of Spanish, including *Spanish as a Heritage Language*, a course designed for native speakers, the RHS Department of World Languages offers students the opportunity to work toward linguistic and cultural proficiency in one or more world language. While developing their communication skills, students are involved in the study of a world language and they offer the following reasons for their choice:

- To be able to travel and talk to people in other countries
- To expand career opportunities
- To satisfy university entrance and/or exit requirements
- To earn college credit without leaving RHS (CIS German III & IV, French IV & V, Chinese IV & V, Spanish V & AP Spanish VI)
- To understand another culture and its people
- To improve standardized test scores
- To prepare oneself to be a “world citizen” in this shrinking war

MATHEMATICS - Department Coordinator, Ann Olstad

Will your future involve using computers in some way? Thought so! Learn as much as you can NOW, for free! Our computer classes will help you to be comfortable and competent with computers.

Introduction to Computers: For students who want extra help with computers. We gently guide you through topics in graphics, word processing, database, spreadsheet and the Internet as a warm-up to programming.

Computer Programming, I and II: For college-bound students who want a look at general programming concepts in Java and the Internet. Great preparation for AP Computer Science Principles.

MUSIC AND DANCE - Department Coordinator, Steve Albaugh

Concert Band A, B, C
* Marching Band

** Cantabile A, B, C
** Cantemus A, B, C

Swing and Latin Dance
***Dance Technique I, II, III A, B, C
***Advanced Dance Technique A, B, C

* Incoming Bands students must audition in January.

**Students may register for 9th grade choirs if approved and recommended by middle school choir director.

*** Incoming Dance Students with prior training should audition in January

Facts about the Music Department:

- 1) More than one-third of the freshman class is currently enrolled in one of these courses.
- 2) Colleges seek students who have participated and excelled in activities beyond the academic classroom.
- 3) Our students are actively involved in school activities often participating in sports, drama, and student government in addition to the music program.
- 4) The band and choir programs have been recognized as being exemplary by the Minnesota Alliance for Arts Education and perhaps more importantly...by our students.

TECHNICAL, ENGINEERING & DESIGN EDUCATION – Mike Nurmela

Technical and Engineering Education classes offer students the opportunities to develop problem-solving and research capabilities through hands-on applications. The Technical and Engineering Education Department recommends that college/university-bound/technical college/technical career students consider three years or more of uninterrupted technology and engineering studies through their senior year.

Courses offered in Technical & Engineering Education for GRADE 9:

The RHS Technical & Engineering department has been newly renovated with industry standard equipment in all areas, including a NEW Fab Lab that contains 3-D printers, laser engravers, graphic design poster/banner makers, etc. Come experience real world, hands on courses!

- **PROBLEM SOLVING HOME REPAIR (1100):** Students will explore common home repair projects and troubleshooting.
- **INTRO TO FAB LAB (1135):** Students will explore 3-D printing, laser engraving, decal/poster making, computer graphic design.
- **INTRO TO WOODS (1101):** Students will explore different production techniques in the area of woods.
- **INTRO TO METALS (1103):** Students will study the materials and processes used in manufacturing and production.
- **INTRO TO SMALL ENGINES (1144):** Students will disassemble, measure, clean and reassemble an internal combustion engine.
- **INTRO TO ENGINEERING (1104):** Students will solve technical problems as they relate to real world situations.
- **INTRO TO DRAFTING (1102):** Students will create drafting and computer aided drafting engineering and architectural projects.

Student Activities – Interest Survey (to be completed in Step 7 of online registration process)

Rosemount High School Triple A Philosophy: Academics, Arts & Athletics:

Research and experience show that students participating in the arts, athletics and other school activities are more successful academically, increase mental health, feel more connected to their school community, and have more FUN in high school. Think about joining at least one activity, or start your own!

- Please enter all student activities you may be interested in on the Academic Plan in Campus. They will appear under the NON-CREDIT section (towards the bottom).
- Program leaders will use this information to connect with you further regarding the activity (relevant to camps, clinics, registration and general information).

EXAMPLE

3 STEPS TO COMPLETE REGISTRATION:

1. Complete this **Registration Form** along with the inserted **Comprehensive Course List**. Course selections on both should be an identical match.
2. Register online by logging in to Campus and entering all courses, alternates and activities in **Academic Plan in Campus**. (Instructions on opposite page)
3. Turn in this **Registration Form** and **Comprehensive Course List** during **Registration Homeroom** at your school (or to your RHS Counselor).

REQUIRED 9TH GRADE CLASSES (15 credits out of 21 total):

- Mark an "X" in the blank of each trimester course you are selecting. *Also mark an "X" on the **Comprehensive Course List** for the same course.
- Yearlong classes require marking 3 trimester courses. (Ex: The English 9 class consists of 3 trimester courses; English 9A, English 9B & English 9C)
- Each box below should have exactly 3 X's. (English, Social Studies, Science, Math, Phy. Ed.)

ENGLISH / LANGUAGE ARTS

<p>~ For Safety Education, please note: If you are enrolling in Safety Education, please indicate your birthdate <u>OCT 31 2005</u> Birthdate: <u>OCT</u> / <u>31</u> / <u>2005</u> Month / Day / Year</p> <p>Students Born <u>BEFORE Sept. 7, 2005</u> → 0607 (Fall)</p> <p><u>Between Sept. 8, 2005 and February 7, 2006</u> → 0608 (Winter)</p> <p><u>Between Feb. 8, 2006 and May 14, 2006</u> → 0609 (Spring)</p> <p>AFTER May 15, 2006 MUST wait until the 2021-2022 school year to take Safety Education. Take Fitness & Activities.</p>		

Notice:

Arts Credit	
ONE arts credit (or single trimester course) needs to be completed some time prior to graduation.	
From: Art Education or Music or Dance departments. Other classes include Interior Design, Marketing C, Intro to Drafting	

Total Credits: Add up total credits from your selections:		
English (must have 3)	<u>3</u>	/3
Social Studies (must have 3)	<u>3</u>	/3
Math (must have 3)	<u>3</u>	/3
Science (must have 3)	<u>3</u>	/3
Phy Ed (must have 3)	<u>3</u>	/3
Electives (3-6)	<u>6</u>	/6
Total 18-21	<u>21</u>	<u>/21</u>

ELECTIVE COURSES: (3-6 credits) Record your selections below:

- Ex: 2 yearlong classes, 6 individual courses or 1 yearlong course and 3 individual courses.
- Grade 9 students must have at least 18 total credits but no more than 21 credits selected.
- *Also mark an "X" on the **Comprehensive Course List** for the same course.

"X"	Course #	Course Title
1	<u>0504</u>	<u>French I A</u>
2	<u>0505</u>	<u>French I B</u>
3	<u>0506</u>	<u>French I C</u>
4	<u>0102</u>	<u>Intro 2D Art</u>
5	<u>0225</u>	<u>Intro to Business</u>
6	<u>1135</u>	<u>Intro to Fab Lab</u>

ALTERNATES (for electives):

- In some cases, your first choice(s) of electives will either not be offered due to low enrollment or may not work in your schedule.
- Select 3 alternates below and enter them online in **Step 6** of the Campus online instructions on opposite page.

"X"	Course #	Course Title
1	<u>0402</u>	<u>Let's Eat</u>
2	<u>0716</u>	<u>Swing & Latin Dance</u>
3	<u>0616</u>	<u>Intro to Computers</u>

Campus Online Registration Instructions:

Step 1: Getting Started

- Log onto Campus Student available at <https://www.district196.org/community/families>.
Username = Student ID number
Password = School network password
- Click **Log In**

Student Username

Password

Log In

Step 2: Academic Plan Tab

- Click on the **Academic Plan** tab and then **Next**.

Step 3: Searching for Courses

- Click on **Search the Course Catalog**.
- Search for a course by course number (full number) or by course name (you may enter part of a name if unsure of the full name).
- Click on the course for more information.

Search the Course Catalog

Science

- 2056 Science Fiction
- 3654 AP® Computer Science**
- 3655 AP® Computer Science
- 3656 AP® Computer Science
- 5031 General Science
- 5032 General Science

Step 4: Selecting Your Courses

- Add the course from the Course Catalog search.
- The course will be added to the Academic Plan.

Course Search Result

3654 AP® Computer Science
 1.000 credits of Electives
Course Description:
 Advanced Placement® Computer Science F-3654, W-3655,
 Grades: 10-11-12

Course 3654 AP® Computer Science
Add to Grade 11 **Add to Grade 12**

- Click on **Type to search or select courses** to add the course directly on Academic Plan.

Type to search or select courses

Step 7: Selecting Student Activities in "Non-Credit" section.

- You may select as many student activities as you like to indicate interest.

Grade 9 Registration Checklist

Check each item when completed

This Checklist contains important information that will help you correctly complete your registration. Students should consult the Registration Guide for complete details regarding course requirements.

GENERAL INFORMATION:

1. The following information is included on my Registration Form:

- 1. Student first and last name
- 2. Student identification number (6 DIGITS)
- 3. Current school circled
- 4. Counselor name circled
- 5. Student and parent/guardian signatures with date, phone number and email listed

REQUIRED COURSES:

ENGLISH

2. On my Registration Form, I put an "X" in front of the following 3 English/Language Arts courses:

0304, 0305, 0306 English 9 ABC

0307, 0308, 0309 Honors English 9 ABC

SOCIAL STUDIES

3. On my Registration Form, I put an "X" in front of the following 3 Social Studies courses:

1001, 1002, 1003 Government & Citizenship ABC

1004, 1005, 1006 Honors Government & Citizenship ABC

SCIENCE

4. On my Registration Form, I put an "X" in front of the following 3 Science courses:

0901, 0902, 0903 Earth with Physical Science ABC

0904, 0905, 0906 Honors Earth with Physical Science ABC

MATH

5. On my Registration Form, I put an "X" in front of three math courses.

0604, 0605, 0606 Intermediate Algebra ABC

0601, 0602, 0603 Intermediate Algebra Concepts ABC

0604EX, 0605EX, 0606EX Fast-paced Intermediate Algebra ABC

0607, 0608, 0609 Honors Geometry ABC

-All RMS/SHMS students will receive a recommendation from their 8th grade math teacher as to which of the above courses should be taken.

PHY ED

6. On my Registration Form, I put an "X" in front of three Physical Education/Health courses.

0801 Exercise and Sport Science I

0802 Exercise and Sport Science II

Additional PE course from the list below:

0803 Fitness and Activities and/ OR

0807 Safety Education (fall) OR

0808 Safety Education (winter) OR

0809 Safety Education (spring).

- Students born before September 7, 2005, may choose to enroll in Safety Education, Course 0807.
- Students born on September 8, 2005 through February 7, 2006 may choose to enroll in Safety Education, Course 0808.
- Students born on February 8, 2006 through May 14, 2006 may choose to enroll in Safety Education, Course 0809.
- Students born after May 15, 2006 must wait until the NEXT school year to take Safety Education. Take 0803 Fitness & Activities

ELECTIVES COURSES:

ART

7. On my Registration Form, I put an "X" in front of at least 1 course in The Arts. ** 0102 2DArt*

-This requirement is satisfied by one course in grades 9-12 from Art Education or Music or Dance departments.

-Other classes include Interior Design, Marketing C, Intro to Drafting

ELECTIVES

8. On my Registration Form, I put an "X" in front of elective courses chosen from any department.

-The number of elective credits selected must be at least 18, but no more than 21.

ADDITIONAL CONSIDERATIONS:

- 9. Students with Special Education courses have checked with special education teacher to be certain course selections are correct.
- 10. On my Registration Form, I have selected three ALTERNATE elective courses AND entered them online in Campus. -These will only be scheduled if my original elective course selections cannot be.
- 11. I have completed the STUDENT ACTIVITIES section of the Registration Form AND entered these selections online in Campus.
- 12. I have selected a TOTAL of at least 18 credits for next year. I understand that the minimum number is 18 credits and the maximum is 21. -Study Halls will automatically be assigned for any student with less than 21 credits.
- 13. I have registered for ALL my course selections, alternates and student activities online on Campus by the deadline. I have double checked to make sure my online Campus selections are a match with my Registration Form & Comprehensive Course List. I have placed the Comprehensive Course List inside my Registration Form and will hand both in on Registration Homeroom day.

Rosemount High School – Comprehensive Course List for the 2020-21 School Year

-Use this list to assist completing your registration form and completing your registration online in Campus.

-Place an X in front of each course you are selecting for the coming school year.

-Record total number of courses selected 21. (May NOT exceed 21)

$12 + 6 + 3 = 21$
