Student Activities – Interest Survey (to be completed in Step 7 of online registration process)

Rosemount High School Triple A Philosophy: Academics, Arts & Athletics:

Research and experience show that students participating in the arts, athletics and other school activities are more successful academically, increase mental health, feel more connected to their school community, and have more *FUN* in high school. Think about joining at least one activity, or start your own!

- Please enter all student activities you may be interested in on the Academic Plan in Campus. They will appear under the **NON-CREDIT** section (towards the bottom).
- Program leaders will use this information to connect with you further regarding the activity (relevant to camps, clinics, registration and general information).
