ROSEMOUNT HIGH SCHOOL PARKING MANAGEMENT

Note: When examining the diagram, you will notice that parent drop-off (blue) and buses (yellow) are separated and that all through traffic (green) is routed around the perimeter of the lot. Also, note that pedestrians (including skateboarders and bicyclists) will use the sidewalks (red). Generally, all incoming and outgoing busses will enter from the West (Chile Avenue). Parent drop-off is on the East side (142nd street).

Parent Drop-Off/Visitor Parking
Parent Drop off approach is on the east side of the campus and it may make sense to approach from HWY 3. Vehicles that approach from the West must go around the perimeter of the student lots. There is ABSOLUTELY NO STUDENT DROP OFF IN THE SCHOOL BUS LOT NOR IS THERE ANY STUDENT DROP OFF IN THE STAFF LOT. If a parent needs to occupy a Visitor’s Stall, then be prepared to register your vehicle (Including license plate) upon entering the building. Students are not visitors and can never use Visitor Parking even if they are only here for one period. All student parking is in the South and East student lots.

Bus Lot
In the morning, ONLY IN-BOUND BUSES and specially permitted employees will be allowed in the bus lot. The bus lot can never be used for student drop off. This will be strictly enforced! At the end of the day, buses will stage in the school bus stalls. Buses will approach and exit campus via Chili Avenue and will NOT go through the student parking areas.

Pedestrians (Bicyclists and Skateboarders)
Pedestrians (Bicyclists and Skateboarders) are to use the sidewalks. Students and staff, upon parking their vehicles, should make their way to the nearest sidewalk. Bike racks are available just west of the Main Entrance (up close to school building).

Staff Lot
The staff lot is for Rosemount employees and substitute teachers only. All vehicles in the staff lot must have Staff Parking credentials. Violators will be ticketed, booted, or towed. The staff lot is never to be used for student drop off.

East Service Road
The service road on the east side of the school will be secured with a gate. This is a fire lane and as such will be strictly enforced. Anyone who drives on the fields to avoid the gate will be subject to a fire lane violation issued by the Rosemount Police Department.

Over-Flow/Free Parking
Students who drive to school who do NOT have parking permits are NOT allowed to park in our lots. There are a few spaces available at the Rosemount Community Center. Daily parking is available on 142nd Street near the tennis courts for $5/daily.
**Inbound and Outbound Traffic Congestion**
Despite the new parking lot design, there will be congestion in the morning (particularly from 7:10-7:30am and after school from 2:20pm-2:40pm). All drivers and passengers are encouraged to be courteous and patient at all times upon entering our campus and even more so during these heavily congested situations.

**Motorcycle Parking**
Motorcycle parking is located near the pedestrian crosswalk associated with the East Lot. All motorcyclists should see Mr. Bakken or Dr. Conboy for the purpose of registering their motorcycle.

**After School/Evening Parking**
The East lot, Parent drop-off, Staff (after 3:00pm) and Bus Lots may be used for after school (after bus departure), evening and weekend activities.

**Student Parking Permit**
All students who drive a car to school and park on the school property must purchase a RHS parking permit via the FeePay system beginning August 14; the cost is $80 per trimester. Students with outstanding fines from the previous trimester may not purchase a permit for the current trimester until the fines are paid. The RHS Parking Permit must be displayed from the Rear View Mirror by September 9 for Trimester 1, December 4 for Trimester 2 and March 11 for Trimester 3. No more than one permit will be issued per student per trimester. Students who have purchased a parking permit must park in the **student parking lots only**. **STREET PARKING** is reserved for one day parking with a $5.00 charge each day.
