Rosemount High School

Dear Parent/Guardian:

Greetings from Rosemount High School! The start of the 2018-2019 school year is quickly approaching. The purpose of this mailing is to communicate information in preparation for the new school year.

About This Mailing

Important information needed to prepare for the new school year is included in this mailing or posted on our website. To help you review these materials, a checklist is provided on the reverse side of this letter and important dates leading up to the start of school are listed below.

2018-2019 Student Schedules

A preliminary draft (subject to change) of your son's/daughter's individual trimester schedules for the upcoming school year will be posted in Campus by August 6th. Please review the schedules carefully. Student schedules have been built based on the course requests that were made during the winter registration process. Official Fall schedules will be distributed in homeroom on the first day of school.

During the past school year, students were urged to register for 2018-2019 classes with great care. Based on student registrations, a master schedule of classes has been developed and teachers have been hired. Because of this, schedule adjustments are allowed only if seats are available and the request meets one or more of the Schedule Review criteria. These criteria are found on page ii of the 2018-2019 Rosemount High School Registration Guide at www.district196.org/rhs/academics/regguide1819/intro.pdf.

If a student wishes to request a schedule adjustment, they must complete a *T1 Schedule Adjustment Form* during "Fall Schedule Review Week". Fall Schedule Review Week will begin Monday, August 6, 2018 and end Friday, August 17, 2018. Beginning August 6th, students can print an online form at www.district196.org/rhs/forms or pick up a form in the main office. Completed forms should be submitted by August 17th at 2:00pm. Due to construction, forms can be faxed, scanned and emailed to the student's counselor or dropped off in the main office. Requests will be processed prior to the first day of school. Approved adjustment requests will be reflected on the student's schedule which they will receive in homeroom on the first day of school.

Modified First Day of School

The schedule for the first day of school on Tuesday, September 4 will be modified in an attempt to provide a positive transition experience for our ninth grade students. Ninth grade students will put in a full day of school on September 4. Students in grades 10 – 12 will begin school at 11:00 a.m. and only participate in a half day of school. Details regarding the first day of school and where students should report are included on the "First Day of School Flyer" which is included in this mailing. On the first day of school busses will run at their normal time. A morning study hall will be available in the Student Center for students in grades 10 – 12 who do not have an alternative mode of transportation and need to ride the bus to school. **School doors for students in grades 10-12 will open at 10:50 a.m.**

Important dates to consider:

- **Open House** – Monday, September 3 – 6:00 – 8:00pm (self-guided tour)
- **Parent/Guardian Orientation** – Wednesday, September 5
 - 9th grade 6:00-9:15pm
 - 10th -12th grade 7:00-9:15pm
- **School Pictures** – Monday, October 1

On behalf of Rosemount High School faculty and staff, we wish you and your family an enjoyable remainder of the summer. We look forward to the start of school on September 4, 2018 with great excitement!

Sincerely,

Peter Roback
Principal

One District. Infinite Possibilities.
