

**Rosemount High  
School  
Military Recognition**

Greetings from Rosemount High School:

The Military Recognition Ceremony is a special occasion for Rosemount High School. It is an opportunity for the school to recognize our students planning to enter the military after high school.

Since we cannot gather in person, we will post an online version of the Military Recognition Ceremony to be available starting on Thursday, May 14 at 3:00 p.m. (CDT). You may watch the ceremony by going to the [RHS Homepage](#) and clicking on the [Irish Video Channel](#) button that is located on the right side of the page.

This ceremony is an opportunity for Rosemount High School to recognize and celebrate the student's decision to enter the military. It is also a time for the student's family to celebrate their decision.

I am proud of our students' plans and delighted we can recognize their decision.

Sincerely,

Peter Roback  
Principal
